## THIS IS YOUR GUIDE TO TARGETING COMPANIES IN THE POWER ELECTRONICS INDUSTRY!

Within the "Editorial Mentions" section, find companies that were discussed in *EDN's* Power Technology supplement series, specifically Part Two: Energy Efficiency (June 2007). Under the heading "Advertisers", find companies that advertised and promoted their products and companies. And, under the heading "Energy Efficiency-Related Companies", find other key providers in the market. This list is not meant to be exhaustive of the industry.
