

SOURCE LIST

A GUIDE TO COMPANIES IN THE DIGITAL POWER AREA OF THE ELECTRONICS INDUSTRY

Within the "Editorial Mentions" section, find companies that were discussed in *EDN's* Power Technology supplement series, specifically Part Three: Digital Power (August 2007). Under the heading "Advertisers", find companies that advertised and promoted their products and companies. And, under the heading "Digital Power-Related Companies", find other key providers in the market. This list is not meant to be exhaustive of the industry.
