

SOURCE LIST

THIS IS YOUR GUIDE TO TARGETING COMPANIES IN THE POWER ELECTRONICS INDUSTRY!

Within the "Editorial Mentions" section, find companies that were discussed in EDN's Power Technology supplement series, specifically Part Four: Portable Power (October 2007). Under the heading "Advertisers", find companies that advertised and promoted their products and companies. And, under the heading "Portable Power-Related Companies", find other key providers in the market. This list is not meant to be exhaustive of the industry.
